

Apply for stand packages

Book your full-service stand package. It's the easiest way to prepare for analytica China.

Stand building

meplan is the official contact for stand building services and a competent and reliable partner who can support you on all topics that pertain to building a stand for your participation at the fair.

If you apply for a booth smaller than 18 square meters a shell scheme stand package from our range of packages is mandatory.

Whether you choose a shell-scheme solution or an individual design, we will take care of everything needed to plan and build your exhibition stand for you.
