

## Your place in the Chinese success laboratory

Choose to participate in analytica China. This is the place to meet decision-makers who have budgets to invest. Meet qualified users, experts and interested parties from around Asia and from all modern analysis sectors. The first and most important step for a successful exhibit is to book your own stand.

## SAVE THE DATE

**analytica China**

Date: Oct 31 - Nov 2, 2018

### Apply for stand space

Secure your stand at China's leading exhibition. Choose raw space to create your customized stand or register for a full-service stand package.

- Application raw space
- Application shell scheme
- Prices

### Order equipment and services

The Exhibitor Center is our online platform: Order exhibitor badges, send electronic invitations to your customers, and benefit from more useful tools.
