

Create your perfect stand

Professional stand construction and technical services: Impress visitors with your exhibition stand—and draw attention directly to your company.

Stand building

Meplan, a subsidiary of Messe München GmbH, is a competent and reliable partner that can support you in all matters related to stand construction. If you apply for a booth smaller than 18 square meters shell scheme stand package from our official contractor MEPLAN is mandatory. MEPLAN will take care of planning, building and equipping your exhibition stand for you.

Please find [your application form](#) for stand packages here

Technical services

Our technical services team in Shanghai will assist you with all questions and orders for technical services for your stand.
