

## Food Safety Day—Special demonstrations of laboratory safety to raise risk awareness

---

analytica China collaborated with leading exhibitors such as Agilent, PerkinElmer and Thermo Fischer and with industry organizations and users to set up a “Food Safety Day” including events like a CEO talk, the Sino-EU-International Forum on Food Safety as well as Live Presentations and a visitor tour on the subject of food safety.

---

**Further details will follow in spring 2018.**
